- Take the slight right off the highway onto Keefer Lake Foresty Service Road
- Follow signs to the lodge 14kms (8.7 miles)
- At the lodge, stay Right and drive up to main lodge building for valet service

Driving Directions from USA to Keefer Lake Lodge

These directions are designed to keep you on major highways and maintained roads to ensure the safest and most reliable driving conditions during winter. They may not be the fastest route, but they are the most dependable.

We strongly recommend not using Google Maps or other online navigation apps, as they can direct you onto forestry roads that are not maintained during the winter months.

Please ensure you are fully prepared for winter driving. A 4x4 or AWD vehicle is strongly recommended, and winter tires are required by law.

Please note that Keefer Lake Road is a forestry service road, and there is no cellphone coverage along this section of the drive.

Directions from Seattle, WA

Approx. 6.5–7 hour drive (including border crossing)

1. From Seattle, head north on I-5 toward Vancouver, BC.
2. Cross the US–Canada border at Peace Arch / Blaine.
